

Applicant's Name: _____

GRAND OFFICER APPOINTMENT - INTERVIEW QUESTIONS 2023-2024

~ This response should be placed in a sealed envelope. Sign your name across the back (seal) of the envelope. Include this with your Grand Officer Application Package ~

Written responses to Interview Questions must be:

- Typewritten using 1" margins and a 12-point font
- In complete sentences
- Limited to no more than one page per question

1. **Reflect on your Rainbow experience during the 2022-2023 Grand Year. Identify 3-5 positive experiences. Also, identify 3-5 things you wish you could have changed and how you would have changed them. (This response mirrors the de-briefing table we use for events.)**
2. **What was your proudest moment of the past year?** This could be in Rainbow or in general.
3. **Why are you applying to serve as a Nevada Grand Officer for the 2023-2024 Grand Year?**
4. **What is the role of a Grand Officer and how does that differ from her role as an Assembly member?**
5. **Based on your understanding of the responsibilities of Nevada Grand Officers, what do you think they should or could be doing to support the growth of Nevada Rainbow?**
6. **In the past, Grand Officer Applicants had the opportunity to participate in a conference call or meet one on one with the Supreme Deputy, during which they selected their office for the current year. As we plan for next year, would you like to repeat that process or would you prefer something else? If you prefer something else, please explain.**
7. **Are there any Grand Offices that you would not want to be appointed to, and if so, why?**
8. **What should the Supreme Officer consider when selecting the Grand Worthy Advisor?**
9. **What other information would you like the Supreme Officer to consider when making Grand Officer Appointments for the upcoming year? If you indicated that you would prefer to identify the offices you would like to be considered for during the 2023-2024 Grand year in your confidential communication with the Supreme Deputy, please do so here and specifically identify those offices.**
