{Let us face the Worthy Advisor and then bow our heads in prayer.}

Our Father, we pray Your blessings to rest upon the members of this Assembly and upon our homes. In all our deliberations, may we ever keep in mind gentleness and kindness, chief characteristics of womankind. May we endeavor to exemplify these virtues in our lives, and reconsecrate and rededicate ourselves anew to You. Bless the Girlhood of our Nation; may it feel and know its responsibilities and especially may it have Your divine guidance through the early years of life. Bless, we pray, our Sponsoring Orders; bless our Masonic homes and the people therein; keep us from evil; teach us reverence, teach us to give a portion of our time each day to You. Then we shall have Victory, and praise You forever. Amen.

Lord, help us to keep our promise.

{3 gavel raps} {All adults please remain standing. All members of the Rainbow please kneel, facing the Altar.}

Our Father in Heaven, thank you for bringing this Sister to our Order. May she be blessed by the lessons given to her here. May she find faith in God, hope in her future, and charity in her community. Father, enable her to learn the Bow lessons that she may apply them in her daily life. Teach her to live a righteous life as she encounters trials and temptations. She has many hard battles to fight, but our Heavenly Father can sustain her through these trials. Make her young life an inspiration to every member of her family and to all her friends, that those who shall know her shall be impressed with her life of obedient service. Go with this Sister every step of this initiation. Show her that we teach Your truth, not only for this moment, but for life eternal. Amen.

Lord, help us to keep our promise.

{Arise, my sister.} {. . .and they shall be happy and shine like the sun in the firmament.}

{This command is given by order of the Worthy Advisor, and you will now face her Station under the Sign of the Rainbow, while we engage in prayer.}

**Our Great Creator, Our Father, we thank You for the deliberations of this Assembly, and for its lessons. Implant them in our hearts that we may heed in our lives their principles. May the lessons taught at our stations, symbolized by the colors of the Rainbow, be the seven cardinal truths in our lives, and that we may be rededicated to them and strengthened by them to meet whatever responsibilities the girlhood of our nation must meet. Bless us, we pray, bless our fathers and our mothers, our homes, our schools, our place of worship, our Nation. Bless those who are less fortunate than we are, and help us to help them every moment we can. Fill our hearts with sympathy and in loving kindness may we give ourselves to our country for service and Yours will be the praise forever. Amen.**

Lord, help us to keep our promise.
