{Let us face the Worthy Advisor and then bow our heads in prayer.}

Our Father, we pray Thy blessings to rest upon the members of this Assembly and upon our homes. In all our deliberations, may we ever keep in mind gentleness and kindness, chief characteristics of womankind. May we endeavor to exemplify these virtues in our lives, and reconsecrate and rededicate ourselves anew to Thee. Bless the Girlhood of our Nation; may it feel and know its responsibilities and especially may it have Thy divine guidance through the early years of life. Bless, we pray Thee, the members of our Sponsoring Orders; bless our Masonic homes and the people therein; keep us from evil; teach us reverence, teach us to give to Thee each day a portion of our time. Then we shall have Victory, and praise Thee forever. Amen.

Lord, help us to keep our promise.

{All adults please remain standing. All members of the Rainbow please kneel, facing the Altar.}

Our Father in Heaven, we implore Thy blessings on this sister at the Altar. We pray thee to bless each kneeling suppliant before Thee. Give them fully of Thy blessings, Gracious Lord, for they need Thee. Father, these are Thy children and we pray that they may come a little closer to Thee in these ceremonies. Bless all the Girls of America, Gracious Father, at this hour. They have many hard battles to fight, but Thou, our Father, can sustain them through these trials. Give unto them high ideals; may they be reverent and modest before Thee and the world. Give them power in their homes for righteousness. Make their young lives an inspiration to every member of their family, and to all their friends, that those who shall know them shall be impressed with their lives of obedient service. Go with this sister every step of this initiation, show her that we teach Thy Truth, not only for this moment, but for life eternal. Amen.

Lord, help us to keep our promise.

{This command is given by order of the Worthy Advisor, and you will now face her Station under the Sign of the Rainbow, while we engage in prayer.}

Our Great Creator, Our Father, we thank Thee for the deliberations of this Assembly, and for its lessons. Implant them in our hearts that we may heed in our life their principles. That the lessons taught at our stations, symbolized by the colors of the Rainbow, shall ever be the seven cardinal truths in our lives, and that we may be rededicated to them and strengthened by them to meet whatever responsibilities the girlhood of our nation must meet. Bless us, we pray Thee, bless our fathers and our mothers, our homes, our schools, our church, our Nation. Bless those who are less fortunate than we are, and help us to help them every moment we can. Fill our hearts with sympathy and in loving kindness, may we give ourselves to our country for service and Thine shall be the praise forever. Amen.

Lord, help us to keep our promise.
